

# The Ultion Cylinder Lock from Anglian

Your new Anglian products are fitted with one or more state-of-the-art Ultion cylinder locks

As part of our policy of maintaining the highest standards of product specification, your Anglian products have been fitted with one or more Ultion cylinder locks.

The Ultion locks carry all the benefits of our usual guarantee along with an extra £2000 guarantee as detailed on the reverse of this leaflet.

## Ultion Cylinder Lock Features

- TS007, 3 Star-rated - No need for cylinder guards or security handles.
- SS312 Sold Secure Diamond Accredited.
- Unique patented Snap Secure Technology - The Active Cam system locks the cylinder after a snap attack to keep intruders out.
- Double anti-snap protection.
- Pick, drill and bump resistant.
- £2000 anti-snap guarantee.
- British Standard Kitemark logo stamped.
- Police-preferred Secured by Design accreditation.

## Lock Down Mode™

The moment that Ultion detects forced entry it activates an attack lock directly into the central cam, this is 'Lock Down Mode'.

Even if the most determined intruder gets past Ultion's two sacrificial sections, the lock is further protected by a solid molybdenum core and secured with a dedicated retaining pin.

More dense  
than iron

## Molybdenum Alloy Core

Molybdenum is used in high strength superalloys. It's the sixth highest melting point of any alloy and has the ability to withstand pressures of up to 300,000 pounds per square inch. This is why it features in the production of military aircraft.

### Unbeaten in every test

As well as being approved by the Police and achieving the highest Kitemark star rating, Ultion is tested by locksmiths with the Master Locksmith Association and is accredited with their highest standard - Sold Secure Diamond.

#### Approved by locksmiths

Few locks survive the test designed with the Master Locksmith Association and carried out by locksmiths.

#### Approved by British Standards

Kitemark is the standard of excellence recognised around the world. Ultion is accredited with the highest 3 star rating.

#### Approved by the Police

The official UK Police flagship initiative combining the principles of 'designing out crime' with physical security.

#### ULTION LOCKS ARE CONTINUOUSLY TESTED

Only with the Solid Secure diamond test is the locksmith tester allowed hours to attempt to break it, having no limits as to what tools are used.

#### £2000 Guarantee

Should a burglary take place within 5 years from the date of installation and entry was achieved by snapping an Ultion lock, Ultion will pay you £2,000. Activate your guarantee at [www.ultion-lock.co.uk](http://www.ultion-lock.co.uk) - this should be completed within 28 days of installation.

Only use genuine Ultion keys. Claims should be returned within 14 days of the burglary, for full terms and claim form please visit the Ultion website.
